**ADVISORY NOTICE
FOR IMMEDIATE RELEASE**

HAND DELIVERY

Issue Date: Wednesday, March 25, 2020

Affected area is within Unincorporated Palm Beach County

This is an important message from Seacoast Utility Authority, your water and sewer utility. Water service at 12025 US HWY 1 affecting 1 customer was temporarily interrupted on Wednesday, March 25, 2020 due to a hit hydrant/main line break. Follow the Boil Water Instructions below until this Advisory has been rescinded.

BOIL WATER INSTRUCTIONS:

- 1) Flush your internal lines. This can be accomplished by opening your taps and allowing the water to flow until all the air is expelled the water runs clear.
- 2) Bring water to a rolling boil for one (1) minute before using for culinary (cooking), drinking, brushing teeth, washing dishes and making ice. If you have an ice maker or public drinking water fountain, turn it off and do not turn it back on until the "PRECAUTIONARY BOIL WATER ADVISORY" has been rescinded.
- 3) This "PRECAUTIONARY BOIL WATER ADVISORY" will remain in effect until a bacteriological survey confirms that the water is safe to drink.

A Rescission Notice will be hand delivered when the PRECAUTIONARY BOIL WATER ADVISORY is rescinded (withdrawn). Updates on Boil Water Advisories are posted on our website at www.sua.com or you can call our Boil Water Hotline at 561-656-2244 for the current status of the Boil Water Advisory. To speak to someone concerning this advisory please call our office during regular business hours, 9:00am and 4:00pm, Monday through Friday, at 561-627-2920. Calls after regular business hours should be directed to our emergency service at 561-627-2900.
