ADVISORY NOTICE FOR IMMEDIATE RELEASE

HAND DELIVERY

Issue Date: 3/30/2021

Affected area is within Unincorporated Palm Beach County

This is an important message from Seacoast Utility Authority, your water and sewer utility. Water service for 12145 Easterly Ave., 3016, 3035, 3036 Florida Blvd. and 3064-3424 Florida Blvd., excluding 3065, 3227, 3266 and 3371 Florida Blvd. affecting 50 customers will be temporarily interrupted on 3/30/2021 from 9:00 AM to 2:00 PM 3/30/2021 due to a water main tie in. Prior to the outage it is recommended to clean and fill your bathtub and or sinks to store water for handwashing and or other purposes during the outage. Once service is restored at approximately 2:00 PM 3/30/2021. Follow the Boil Water Instructions below until this Advisory has been rescinded.

Boil Water Instructions:

- 1) Flush your internal lines. This can be accomplished by opening your taps and allowing the water to flow until all the air is expelled and the water runs clear.
- 2) Bring water to a rolling boil for one (1) minute before using for culinary (cooking), drinking, brushing teeth, washing dishes and making ice. If you have an ice maker or public drinking water fountain, turn it off and do not turn it back on until the "PRECAUTIONARY BOIL WATER ADVISORY" has been rescinded.
- 3) This "PRECAUTIONARY BOIL WATER ADVISORY" will remain in effect until a bacteriological survey confirms that the water is safe to drink.

Updates on Boil Water Advisories are posted on our website at www.sua.com or you can call our Boil Water Hotline at 561-656-2244 for the current status of the Boil Water Advisory. To speak to someone concerning this advisory please call our office during regular business hours, 9:00am and 4:00pm, Monday through Friday, at 561-627-2920. Calls after regular business hours should be directed to our emergency service at 561-627-2900.
