

WASTEWATER TREATMENT PLANT OPERATOR TRAINEE

Responsible for shift operation of an assigned wastewater treatment plant and the maintenance of machines and equipment to treat domestic and industrial wastewater for reclaimed water and beneficial use of biosolids.

Essential Functions:

- Monitors treatment process by chemical, physical or visual analyses and adjusts operating parameters accordingly; monitors automatic devices that dose specified amounts of chemicals into tanks to disinfect, and dewater biosolids.
- Operates and controls electric motors, pumps and valves to regulate flow of sewage.
- Monitors control room and adjusts controls to maintain treatment levels defined by the chief operator.
- Maintains process equipment, monitors plant performance in accordance with operating parameters.
- Obtains samples to evaluate treatment process and records data from gauges and instruments.
- Communicates to fellow operators, relief operators and supervisor activities performed, treatment adjustments or problems encountered during shift operation.
- Documents activities performed in plant logbook.
- Checks/repairs plant's mechanical equipment and performs preventative maintenance on it.
- Performs housekeeping duties and other general plant maintenance as directed.
- Informs supervisor of supplies and spare parts needed at the plant.
- Monitors chemical deliveries and completes delivery checklist before transfer.
- Must utilize safety equipment provided by the Authority, follow all safety rules and notify supervisor of unsafe equipment, missing safety equipment or unsafe working conditions. Must be safety conscious at all times and use good judgment in performing job tasks.
- Performs other job related duties as assigned.

Minimum qualifications:

- Florida Driver's License in good standing
- High School graduate or equivalent
- Must obtain Wastewater Treatment Plant Operator C license within 18 months of start date
- Must be available to report to duty before, during and immediately after an Authority Emergency Closure Period
- Must be available to work evening, midnight and weekend shifts as required

Salary range (PG 51): \$15.55 to \$25.80 hourly.

Closing date: open until filled
