ADVISORY NOTICE FOR IMMEDIATE RELEASE

HAND DELIVERY

Issue Date: 11/10/2021

Affected area is within Unincorporated Palm Beach County

This is an important message from Seacoast Utility Authority, your water and sewer utility. Water service for 11887 Turtle Beach Road and all residents on Lake House Court and Lake House Drive affecting approx. 68 customers will be temporarily interrupted on 11/10/2021 from 9:00AM to 5:00PM 11/10/2021 due to the replacement of a main line valve. Prior to the outage it is recommended to clean and fill your bathtub and/or sinks to store water for handwashing or other purposes during the outage. Once service is restored at approximately 5:00PM 11/10/2021, follow the Boil Water Instructions below until this Advisory has been rescinded.

Boil Water Instructions:

- 1) Flush your internal lines. This can be accomplished by opening your taps and allowing the water to flow until all the air is expelled and the water runs clear.
- 2) Bring water to a rolling boil for one (1) minute before using for culinary (cooking), drinking, brushing teeth, washing dishes and making ice. If you have an ice maker or public drinking water fountain, turn it off and do not turn it back on until the "PRECAUTIONARY BOIL WATER ADVISORY" has been rescinded.
- 3) This "PRECAUTIONARY BOIL WATER ADVISORY" will remain in effect until a bacteriological survey confirms that the water is safe to drink.

Updates on Boil Water Advisories are posted on our website at www.sua.com or you can call our Boil Water Hotline at 561-656-2244 for the current status of the Boil Water Advisory. To speak to someone concerning this advisory please call our office during regular business hours, 9:00am and 4:00pm, Monday through Friday, at 561-627-2920. Calls after regular business hours should be directed to our emergency service at 561-627-2900.
