WATER SERVICE LINE INSTALLATION

- 1" service tap and line (short side) \$ 3,130.00
- 1" service tap and line (long side) \$ 4,610.00
- 1.5" & 2" service tap and line (short side) \$ 3,330.00
- 1.5" & 2" service tap and line (long side) \$ 4,760.00

METER CHANGE OUT

Requests to exchange the existing meter for a larger size will result in the following charges:

- Difference of current cost between smaller and larger meter
- Labor and materials required for change out
- Difference of current connection charges between smaller and larger meter

Water Distribution will need to verify the system is able to service a larger meter, if not a tapping fee and capping of existing service will be required.

CAPACITY RESERVATION FEES (CALCULATED ANNUALLY)

Single Family Unit Water \$ 337.44
Sewer \$ 230.88

Multi Family Unit Water \$ 140.40
Sewer \$ 125.28
