---

This is an important message from Seacoast Utility Authority, your water and sewer utility. Water service for 1406 and 1440 Flagler Blvd; 1407-1463 Flagler Blvd.; 706 Magnolia Drive; 704 W Kalmia Drive; all residents on Laurel Drive between 9th Street and Flagler Blvd.; all residents on W Jasmine Drive between 8th Street and Palmetto Drive affecting approx. 69 customers was temporarily interrupted on 6/6/2025 due to a main line break. Follow the Boil Water Instructions below until this Advisory has been rescinded.

---

#### Boil Water Instructions:

- 1) Flush your internal lines. This can be accomplished by opening your taps and allowing the water to flow until all the air is expelled and the water runs clear.
- 2) Bring water to a rolling boil for one (1) minute before using for culinary (cooking), drinking, brushing teeth, washing dishes and making ice. If you have an ice maker or public drinking water fountain, turn it off and do not turn it back on until the "PRECAUTIONARY BOIL WATER ADVISORY" has been rescinded.
- 3) This "PRECAUTIONARY BOIL WATER ADVISORY" will remain in effect until a bacteriological survey confirms that the water is safe to drink.

A Rescission Notice will be hand delivered when the PRECAUTIONARY BOIL WATER ADVISORY is rescinded (withdrawn).
