

NOTICE OF CONSTRUCTION

HARBOR LANE LOW PRESSURE FORCE MAIN (LPFM) EXTENSION

Location: Harbor Ln, Palm Beach Gardens, FL 33410

Project Description: The project consists of the installation of approximately 1,300 feet of 2-inch low-pressure force main (LPFM) as an extension to the current low-pressure force main system on Old Donald Ross. The proposed LPFM will run along the east side of Harbor Lane going north from the intersection of Harbor Lane and Old Donald Ross. The purpose of this project is to provide a low-pressure sewer connection to the existing system to the properties on Harbor Lane. Property owners are not required to connect to the low pressure sewer system.

Schedule: Construction will take place from July 31, 2025 to November 12, 2025.

What to Expect: Contractor will be excavating, installing LPFM, and restoring surfaces. Asphalt and concrete may have temporary patches until final construction of these items takes place. All landscape, sod, concrete, asphalt, and paint will be restored.

CONSTRUCTION TEAM

Contractor: Jamie Underground, Inc.

Construction Manager/Engineer: Chen Moore and Associates, Inc.
