

Seacoast has an immediate opening for a **Chief Operating Officer (COO)**

Purpose of Position:

The Chief Operating Officer (COO) is responsible for the planning, management, performance, and continuous improvement of the Authority's infrastructure, assets, and operational divisions.

The COO provides executive leadership over engineering, construction, water, wastewater, utility services, and regulatory compliance functions, ensuring alignment with organizational goals, regulatory requirements, and industry best practices.

Preferred Qualifications:

- Degree in Civil or Environmental Engineering or Environmental Sciences.
- Professional Engineer (PE) licensed or Water and/or Wastewater Operator.

Minimum Qualifications:

- Bachelor's degree from an accredited college or university in a field related to water or wastewater facility design or operations, or an equivalent combination of education and experience.
- Ten years of progressively responsible experience in planning, design, construction, operation, and maintenance of utility facilities.
- Minimum of five years of executive-level management experience.
- Valid Florida Driver's License.

Salary range: (PG 65): \$59.98 to \$97.57 hourly.

Closing date: January 25, 2026

Excellent benefits to include employer-paid health, dental, life, short-term & long-term disability, and retirement.
