ADVISORY NOTICE

FOR IMMEDIATE RELEASE

RADIO / TV / PRESS

Issue Date: 11/10/2026

Affected area is within Lake Park

This is an important message from Seacoast Utility Authority, your water and sewer utility. Water service for all customers on 10th Street between Northern Drive and West Jasmine Drive; all customers on West Jasmine Drive between 9th Street and 10th Street; and all customers at 932 W Kalmia Drive affecting approx. 100 customers was temporarily interrupted on 11/10/2026 due to a water main break. Follow the Boil Water Instructions below until this Advisory has been rescinded.

Boil Water Instructions:

1) Flush your internal lines. This can be accomplished by opening your taps and allowing the water to flow until all the air is expelled and the water runs clear.

2) Bring water to a rolling boil for one (1) minute before using for culinary (cooking), drinking, brushing teeth, washing dishes and making ice. If you have an ice maker or public drinking water fountain, turn it off and do not turn it back on until the “PRECAUTIONARY BOIL WATER ADVISORY” has been rescinded.

3) This “PRECAUTIONARY BOIL WATER ADVISORY” will remain in effect until a bacteriological survey confirms that the water is safe to drink.

Local TV, radio stations and The Palm Beach Post will be notified when the "PRECAUTIONARY BOIL WATER ADVISORY" is rescinded (withdrawn). Updates on Boil Water Advisories are posted on our website at www.sua.com or you can call our Boil Water Hotline at 561-656-2244 for the current status of the Boil Water Advisory. To speak to someone concerning this advisory please call our office during regular business hours, 9:00am and 4:00pm, Monday through Friday, at 561-627-2900. Calls after regular business hours should be directed to our emergency service at 561-627-2900.
