ADVISORY NOTICE

FOR IMMEDIATE RELEASE

HAND DELIVERY

Issue Date: 11/2/2026

Affected area is within Village of North Palm Beach

This is an important message from Seacoast Utility Authority, your water and sewer utility. Water service for 727 Eagle Way, 726 Flamingo Way, 400- 714 Northlake Ct and 711 and 714 Hummingbird Way affecting approx 86 customers was temporarily interrupted on 11/2/2026 due to a water main break. Follow the Boil Water Instructions below until this Advisory has been rescinded.

Boil Water Instructions:

1) Flush your internal lines. This can be accomplished by opening your taps and allowing the water to flow until all the air is expelled and the water runs clear.

2) Bring water to a rolling boil for one (1) minute before using for culinary (cooking), drinking, brushing teeth, washing dishes and making ice. If you have an ice maker or public drinking water fountain, turn it off and do not turn it back on until the "PRECAUTIONARY BOIL WATER ADVISORY" has been rescinded.

3) This "PRECAUTIONARY BOIL WATER ADVISORY" will remain in effect until a bacteriological survey confirms that the water is safe to drink.

A Rescission Notice will be hand delivered when the PRECAUTIONARY BOIL WATER ADVISORY is rescinded (withdrawn). Updates on Boil Water Advisories are posted on our website at **www.sua.com** or you can call our Boil Water Hotline at 561-656-2244 for the current status of the Boil Water Advisory. To speak to someone concerning this advisory please call our office during regular business hours, 9:00am and 4:00pm, Monday through Friday, at 561-627-2920. Calls after regular business hours should be directed to our emergency service at 561-627-2900.
